

Directions to Mazzard Farm from the South Coast

Please Note: If you have SatNav, our post code is **EX11 1QQ** (Slade Road). This usually brings you in front of our neighbour, John Coles, at Higher Rill Farm. On the right of his farm is a small lane that leads you down to Mazzard Farm. Also note that some SatNav's favour motorways, which may mean they send you on a journey much longer than needed. May be a good idea to always consult a map as well.

Directions

Appreciating there are many different parts of the South Coast, and therefore starting positions different, in a nutshell, for anyone living

1. **west of the New Forest** we suggest you use the A35 Westbound (coast road). When you arrive in Honiton, follow instructions as per 3rd bullet point below
2. **east of the New Forest** we suggest you ultimately aim for the A303, leading to Ottery St. Mary. Once on A303, directions are as follows:
 - head for **A303** (towards Exeter)
 - stay on A303 for good 50 or so miles (Andover, Wincanton, Ilminster, Honiton) >> please note road becomes A30 between Ilminster and Honiton)
 - come **off A30 at Honiton**
 - head for, and right through, town center (down a hill)
 - just after leaving town center, but before heading out of Honiton, keep eye out for **A 375** (signed Sidmouth)
 - **turn left on A375** towards Sidmouth
 - after approx 3 miles (after steep hill up) keep eye out for 'Putts Corner' / Hare and Hounds pub)
 - **turn right at Putts Corner** towards Ottery St Mary
 - after entering Ottery (about 2 miles, down a hill), keep eye out for first left turn (about 300 yards after 'Ottery St Mary' sign), called Slade Road
 - **turn into Slade Road**
 - drive about a mile. When you get to a cluster of houses and farms, you will see '**Rill Farm**' on your right, where the road bends sharply to the left, twice within 30 meters. Continue this road
 - after some 200 meters, the road **takes a sharp right bend** (on your left is a place called 'Camera's Underwater')
 - after a further 100 meters or so, look out for a **Mazzard Farm sign**, and take the **first right**, just before another farm (Higher Rill Farm)
 - follow little track down the hill
 - **Mazzard Farm** is on this track, after some 60 meters on the left
 - You can park in one of the bays on the left, and will find us in the main (white) farm house
